MEMORANDUM FOR: Deputy Director (Support)

SUBJECT: Proposed Table of Organization for Soviet Russia Division, DD/P

1. This memorandum contains a recommendation for DD/S approval. Such recommendation is contained in Paragraph 5.

2. The proposed SR T/O, as submitted in Tab A, totals [redacted] positions and represents a total consistent with the current ceiling authorization. Organizational and position adjustments have been incorporated in a recommended revised T/O listing (Tab B), with a position allocation as follows:

Departmental Vouchered  
Departmental Unvouchered  
[redacted]  
Foreign Field Unvouchered  
Total T/O

3. The Director of Personnel (Tab B) has approved the titles and grades of positions of the proposed SR T/O as indicated by attached listing. Interim dual graded positions will be subsequently resolved by the Office of Personnel upon the receipt of job information. Computation of average grade by the Office of Personnel, PED, shows the current T/O as averaging GS-10.1 and the recommended T/O (Tab B) as GS-10.3, an increase of .2 of a grade.

4. The Chief, Budget Division, Office of the Comptroller (Tab C) has reviewed the proposed SR T/O and cites in part as follows:

a. Sufficient funds are available to finance the proposed T/O for the remainder of the year (an increased cost of approximately \$81,000 for the final quarter of FY 1956).

b. In FY 1957 the increased cost of approximately \$292,000 will need to be financed from program adjustments within the SR Division; the operating budget now in preparation will provide these adjustments. Such action, however, reduces the amount of funds available for operations and it is recommended that policy implications of such action be considered.
